Dear Colonel Knight,

On Behalf of the MH-60M helicopter transportation team and the Special Operations Forces Support Activity center, our Sincere thanks to the Florida Highway Patrol for their most valuable assistance in the recent transport of aircraft M-1 serial number 02-26976.

The following troopers starting with Lt. Rich Vore and trooper Scott Ports of Troop "L" Lantana, to Captain Brad Pelton of the Florida Highway Patrol , Turnpike Command, Captain Gaston of Jacksonville and the following troopers:

**Trooper C. Golden Jacksonville
Trooper D.L. Bryan Jacksonville
Trooper P. Payne Jacksonville
Trooper Walt Smith Troop "G" Stark
Trooper Zeigler Troop "B" Lake City
Trooper Bill Grubbs
Trooper Myvick
Trooper Horne**

The above named troopers and several who I did not get a chance to meet and thank, did an outstanding job of assisting our transport of this very important aircraft for the 160th Special Operations Regiment support activity getting to destination with zero incidents.

In addition I would also like to thank Lt. Vore and Trooper Greg Wigfall of Troop "L" Lantana along with Captain Pelton, and Trooper Horne for their assistance on the transportation of Comanche RAH-66 helicopter during its transportation to Redstone Arsenal in January of 2005.

Our most sincere thanks to the Florida Highway Patrol and their coordination with Lt. Charles Ward of the Alabama Highway Patrol Special Operations Dothan Barracks on both of these transports.

Sincerely,
